Divine Hand Over the United States

The United States of America is at the brink of total collapse. Once a great and powerful nation, the United States is now in a free fall. A few more steps in its decline and it will be ruined. These are not easy words for a patriotic American to read, but, nevertheless, they are absolutely true. Tragically, it need not have come to this.

As one looks at the history of nations, from Babylon to Rome to America, it is evident that a Divine hand was protecting and guiding America. This country began as a few colonies on the Eastern seaboard of this vast land and became a great nation.

In her youth, the United States was very good. On her money, her trust in God was proclaimed, and the great blessing of God rested upon this nation. As the United States grew to greatness, she gradually abandoned the principles that made her great until today she is approaching a very tragic end. The process of the decline of America is similar to the decline and fall of the Roman Empire. Let us examine a little of the history of ancient Rome and notice the parallels.

As the early Roman Empire was beginning to develop, it was building on the solid premise that the family unit was the cornerstone

An enemy has been stalking America and the world for over 200 years. She is about to apply the death grip from which Earth will never recover. The publication in your hand tells who the enemy is, who they have used in history, who is aiding them today, and how the final scenes will unfold.

of society. Morality and discipline were the cornerstones of the family unit. As the empire developed, liberalism crept in, and the morality and discipline that protected society began to disappear. By the beginning of the 2nd century AD, most families had given into the liberal trends, and their children were allowed to do pretty much as they pleased.

It is obvious that the moral fabric of America today is where the morality of the Roman Empire was nearly 2,000 years ago. Do we not see the breakdown of the home, a strong women's rights movement, a deterioration in the school system, moral

decay as espoused by the news and entertainment media and the schools, and welfare eating the heart out of the American economy? With regard to these problems, how are we any different from the Roman Empire during its decay? Why are these things happening in America? But, that's the wrong question. The question should be: Who has brought America to the brink of destruction?

As mentioned earlier, Providence had its eye on the United States. America was the land of opportunity. It was the place where those who were being persecuted for their faith could come and worship God accord-

ing to the dictates of their own conscience. It was a land without a king where one could come and breathe the air of civil liberty. It was the place where one could come and earn a good living for himself and his family. America was the place where dreams came true. There once was a Divine Hand Over America. In

1759, twenty-five years, more or less, stood between the thirteen colonies and freedom from the British. Twenty-five years and the greatest Protestant nation to ever exist in the history of nations would fly its flag. Twenty-five years and the groundwork for the Constitution — republicanism, inalienable rights, and a government of the people, by the people, and for the people — was in sight. An experiment in government never before tried in history was to become the greatest nation the world had ever seen.

Many said such a government would not work. The Roman Catholic Church had ruled the world through the Dark Ages and sought to keep the world under her dictatorial control. She was, and still is, deathly afraid of such an experiment. For over 200 years, the Protestant Reformation had challenged the papacy's authority. The papacy gradually began losing her power. An experiment like America was certainly not in the plans of the Catholic Church; no nation

would be allowed to espouse principles that would bring the papacy down.

What of the monarchs of Europe? They ruled by permission of the papacy and had wielded

tyrannical control for ages with no one to oppose them. Were they now ready to watch the development of a government of the

people, by the people, and for the people? A clearer rationale would be that they would unite with Rome to stop this American experiment with every weapon at their fingertips.

By the 1550s the Reformation had become so extensive in Europe that the papacy began to realize that they must do something to try to stop it. They realized that if it were not stopped, it would eventually undermine the position of the Catholic Church and destroy the absolute political power they had achieved. In order to accomplish the destruction of the Reformation, a new secret organization was formed within the Vatican called the Jesuits.

Overthrow Protestantism

One of the major purposes of the Jesuits was to destroy every trace of Protestantism and its principles, including religious freedom, republicanism, representative government, and an economy built around a strong middle class. Another purpose of the Jesuits was to greatly expand the power and control of the papacy throughout the entire world.

I cannot too much impress upon the minds of my readers that the Jesuits, by their very calling, by the very essence of their institution, are bound to seek, by every means, right or wrong, *the destruction of Protestantism*. This is the condition of their existence, the duty they must fulfill, or cease to be Jesuits. — G.B. Nicolini, *History of the Jesuits: Their Origin, Progress, Doctrine, and Design*, Henry G. Bohn, preface, [emphasis added].

The first triumphs of the Reformation past, Rome summoned new forces, hoping to accomplish its destruction. At this time the order of the Jesuits was created; the most cruel, unscrupulous, and powerful of all the champions of popery.... There was no crime too great for them to commit, no deception too base for them to practice, no disguise too difficult for them to assume. Vowed to perpetual poverty and humility, it was their studied aim to secure wealth and power, to be *devoted to the overthrow of Protestantism*, and the reestablishment of the papal supremacy. — E.G. White, *The Great Controversy, Review and Herald*, p. 234, [emphasis added].

70,000 Slain One Night

The Jesuits used deception in the extreme to bring about the St. Bartholomew's Day Massacre in 1572, where 70,000 Protestant Huguenots, including women and children, were slain in one night. They also created the 30 Years War from 1618-1648 in order to destroy the Lutherans of Europe. The blood that reddened European soil for centuries can all be traced back to the murderous Jesuits.

By the middle of the 1700s, the Jesuit Order had become the powerhouse of Europe. According to Barrett,

...the Jesuit Order at last reached the pinnacle of its power and prestige in the early eighteenth century. It had become more influential and wealthier than any other organization in the world. It held a position in world affairs that no oath-bound group of men has ever held before or since...nearly all the Kings and Sovereigns of Europe had only Jesuits as directors of their consciences, so that the whole of Europe appeared to be governed by Jesuits only. — Boyd Barrett, *The Jesuit Enigma*, New York: Boni & Liveright, p. 209.

America Under Divine Care

The Jesuits ruled the world. The monarchs of Europe, and the pope

himself had Jesuits as their confessors. The plans and plots were all alike known to them. Besides this, they were amassing a vast amount of wealth that allowed the Jesuits to do whatever they chose. With them controlling the world, how could the little colonies of America have had a chance to stand against the Jesuit controlled monarchs of Europe? In an instant, the Jesuits could utilize any army at its disposal and crush the colonies.

Nations Ban Jesuits 1759

It was at this juncture in 1759 that something strangely divine began to happen. It began in Portugal. The Portuguese king, Joseph I, banished the Jesuits from his realm. Catholic France banished them in 1762. The decree of Louis XV and the French Parliament reads as follows:

It denounced their doctrines and practices 'as perverse, destructive of every principle of religion, and even of probity; as injurious to morality, pernicious to civil society, seditious, dangerous to rights of the persons of the sovereigns; as fit to excite the greatest troubles in States, to form and maintain the most profound corruption in the hearts of men...that the institutions of the Jesuits should forever cease to exist throughout the whole extent of the kingdom.' — *ibid.* p. 219.

The third sovereign to drive the Jesuits from their realm was King Charles III of Spain. He banished the Jesuits in 1767.

The mightiest Catholic nations of Europe had banished the Jesuits from their realms. These Catholic monarchs demanded that the Catholic Church abolish the society forever. Clement XIII, the pope at that time, resisted the pressure of the European monarchs, but finally capitulated. The night before he planned to abolish the Jesuits, he was poisoned to death.

Four years later in 1773, three years before the Declaration of Independence, mark it well, Pope Clement XIV wrote an order, the purpose of which was to abolish the Jesuits forever.

Jesuit Ban Removed 1814

Unfortunately, a later pope re-established them in 1814.

The timing of these events in Europe is fascinating. Catholic Europe was in disarray. The Catholic monarchs were preoccupied with taking care of the problems with the Jesuit Order. The Jesuits were reeling as one Catholic country after another drove them from their realms. While Europe was shaking, thirteen colonies across the Atlantic were looking at the very real possibility of war with England. The thirteen colonies were instituting principles of government never before heard in the annals of human history. Documents would soon be written that would codify such things as inalienable rights, government of the people, by the people, and for the people, free exercise of religion, and the right to keep and bear arms. These documents would soon be the hope of mankind throughout the world longing to be free.

Colonies Escape Jesuits

What if the Catholic monarchs were not distracted by their dealings with the Jesuits? What if the Jesuits were not reeling by their banishment from Europe? The monarchs and the Jesuits would have utilized their wealth and military power to smash the American colonies in the New World, and the Protestant dream in America would have never been a reality. Without a doubt, there was a Divine Hand Over America!

The Illuminati-Jewish Front

It is an unshakeable fact that the founder of the modern Bavarian Illuminati was a trained Jesuit named Adam Weishaupt from Ingolstadt, Bavaria. Weishaupt was a professor at Ingolstadt University, which was the center of the Jesuit counter-reformation. (See Encyclopedia Britannica, Volume 12, page 251.)

Ingolstadt was the center where the Jesuits were flourishing in 1556. (See History of Protestantism by Wylie, Volume 2, p. 413.)

The Apostle of Lucifer, Adam

Weishaupt was born a Jew, converted to Catholicism, then turned to Witchcraft, where he became an expert, and founded another sect of the Illuminati. This sect of Illuminati was founded May 1 st , 1776. — William Josiah Sutton, *The New Age Movement and The Illuminati 666*, The Institute of Religious Knowledge, p. 173.

Canon law was the result of the infamous Council of Trent, which met from 1545-1563. This law revealed the Catholic Church's stand against the Protestant Reformation and is known as the Catholic Counter-Reformation. This council not only revealed the church's hostility toward the Reformation, but also how she would attack and destroy it.

Jesuits' Secret Fronts

Weishaupt established the Illuminati specifically to be a front organization behind which the Jesuits could hide. After being abolished by Clement XIV in 1773, the Jesuits used the Illuminati and other organizations to carry out their operations. Thus the front organizations would be blamed for the trouble caused by the Jesuits. Having so many front organizations would also confuse the people so that it would be virtually impossible to know who is actually manipulating the wars, policies, politics, and trouble caused by the Jesuits. The methods of many of these front organizations such as the Illuminati are carbon copies of the Jesuits methods and techniques.

The Jewish belief that Christ will one day come and rule the world causes the Vatican to shudder. The Vatican believes that if hatred for the Jews can be fomented as took place in Hitler's Germany, then Jews will be ruthlessly eliminated. The Vatican believes that if all Jews are killed, Christ will not come, and the Vatican's aim to rule the world would remain intact. Avro Manhattan says it this way:

It is important, although it may be difficult for some to recognize the religious nature of the Communist/ Zionist/Catholic political configuration. Although deliberately muted in public pronounce-

ments, behind the Zionist banner there was to be found the ancient Messianic hope for the coming of a global theocracy, as predicted by all the seers and prophets of Zion. It was to be a theocracy in which Jehovah, not Christ, was to be King.

The spectre of the creation of such a theocracy has haunted the inner chambers of the Catholic church from her earliest inception, and still is a dominant fear. — Avro Manhattan, *The Vatican Moscow Washington Alliance*, Chick Publications, pp. 169, 170.

Jesuits Use Jewish Front

Why would the Jesuits use their implacable enemy, the Jews, to further their designs for world domination? The Jesuits never do anything out in the open where they can be exposed. If they are recognized as the culprits, they will be blamed and suffer the consequences, but if they can use someone else as the cause of the world's problems, especially an enemy they can destroy in the process, then they have simultaneously accomplished two of their objectives. The Jewish people are the perfect scapegoat. Since the Rothschilds are Jesuit agents operating under a Jewish cover, using them in forming the Illuminati back in 1776 effectively throws the onus of this conspiracy on the Jews. The Rothschilds are certainly not the only Jesuit agents that operate under a Jewish front.

The following sources indicate that Adam Weishaupt and the Rothschilds were the brains and the wealth behind the French Revolution.

History books will tell us that the French Revolution first began in 1787 or 1789, depending on which book you read. However, it was actually planned by Dr. Adam Weishaupt and the House of Rothschild almost 20 years before the Revolution took place. — William Sutton, *The New Age Movement and The Illuminati 666*, Institute of Religious Knowledge, pp. 172, 73.

Jesuits Promote Communism

The Jesuits, Weishaupt and the

Rothschilds, managed to cast the blame for the French Revolution on their front organization, the Illuminati! The Communistic ideals that came from the Reductions (communes) in Paraguay and that were exalted in France had their fruition in the writings of Karl Marx.

Karl Marx, 'the Father of Modern Communism...was privately tutored by Jesuits in the huge Reading Room of the British Museum while writing *The Communist Manifesto* based upon the ten maxims or 'planks' the Order had perfected on its Paraguayan Reductions.... A Jew was chosen for this task; for, the Order anticipated blaming all the evils of their Communist Inquisition on the Jewish Race. — Eric Phelps, *Vatican Assassins*, Halcyon Unified Services, p. 293.

Adam Weishaupt and the Rothschild family created the Illuminati. Then both Weishaupt and the Rothschilds united their efforts to foment the French Revolution and the roots of Communism. The Jesuits next used Karl Marx to write the Communist Manifesto, which codified the Illuminati's plans. The teachings of Marx were then passed to Lenin, Stalin, and Trotsky. The financiers of all of these men were the Rothschilds or Rothschild agents such as Paul Warburg, the first chairman of the Federal Reserve Bank, Jacob Schiff and Armand Hammer. Each one of these men, being Jesuits, were Jews and operated under a Jewish front. Is it any wonder that the Jews are usually blamed for all the conspiracies?

In the Jesuits relentless pursuit to destroy America, she would use the Jewish House of Rothschild to gain control of the American banking system. To this, we will turn in the next chapter.

Bank Bandits

Because Pope Clement XIV and the Catholic emperors across Europe were busy abolishing the Jesuits, they were not able to cooperate with each other well enough to stop the Protestant American experiment. If a

Divine Hand had not intervened to protect the 13 colonies, there would never have been a United States with its God-given Constitution!

The Jesuits were greatly troubled because of their expulsions around the world, and they were forced to go underground. We have seen that they used their agent, Adam Weishaupt, to create the Illuminati and used the Jesuit House of Rothschild to finance it. It was not just here, however, where Rothschild wealth was very helpful. America was becoming a giant of financial affluence and prosperity. Already, the Rothschilds were involved in extensive trading in the Americas. Besides their financial and mercantile empires, the Rothschilds were utilizing their wealth to gain political and religious dominance in order to further the ends of the Jesuits in destroying Protestantism worldwide.

The Jesuits used all their resources in their attempt to destroy America. They used the powerful financial empire of the Rothschilds to obtain control through money. Biographer Frederick Morton concluded that through the effective use of money the Rothschilds had successfully

conquered the world more thoroughly, more cunningly, and much more lastingly than all the Ceasars before or all the Hitlers after them. — Frederic Morton, *The Rothschilds: A Family Portrait*, Atheneum, p. 14.

The Rothschilds believed that if they could control a nation's money, then they could control that country. This is clearly pointed out in the following statement from biographer Derek Wilson.

It commanded vast wealth. It was international. It was independent. Royal governments were nervous of it because they could not control it. Popular governments hated it because it was not answerable to the people. — Derek Wilson, *Rothschild: The Wealth and Power of a Dynasty*, Charles Scribner's Sons, pp 79, 98, 99.

Using the vast wealth of the Rothschilds, the Jesuits equipped armies to destroy countries that

would not do what they dictated. They could buy politicians and through them change the very laws of a nation. This is exactly what they did in America and are still doing today! The Jesuits have been using the Rothschild wealth to control major events behind the scenes worldwide for the last few centuries. This was true when they first started, but today they have the central banks in each country including the Federal Reserve Bank to supply them with funds.

Rothschild Strategy

To illustrate how the Jesuits and the Rothschilds have used countries and events to gain domination over nations and financial markets, we must look at the battle of Waterloo between France and England on June 19, 1815.

As the two huge armies closed in for the battle to the death, Nathan Rothschild had his agents working feverishly on both sides of the line to gather the most accurate possible information as the battle proceeded. Additional Rothschild agents were on hand to carry the intelligence bulletins to a Rothschild command post strategically located nearby.

Arriving at the Exchange amid frantic speculation on the outcome of the battle, Nathan took up his usual position beside the famous 'Rothschild Pillar'. Without a sign of emotion, without the slightest change of facial expression the stony-faced, flint eyed chief of the House of Rothschild gave a predetermined signal to his agents who were stationed nearby.

Rothschild agents immediately began to dump consuls on the market. As hundreds of thousands

of dollars worth of consuls poured onto the market their value started to slide. Then they began to plummet.

The selling turned into a panic as people rushed to unload their 'worthless' consuls or paper money for gold and silver in the hope of retaining at least part of their wealth. Consuls continued their nosedive towards oblivion. After several hours of feverish trading the consul lay in ruins. It was selling for about five cents on the dollar.

Nathan Rothschild, emotionless and expressionless as ever, still leaned against his pillar. He continued to give subtle signals. But these signals were different. They were so subtly different that only the highly trained Rothschild agents could detect the change. On the cue from their boss dozens of Rothschild agents made their way to the order desks around the Exchange and bought every consul in sight for just a 'song'.

Napoleon had 'met his Waterloo.' Nathan had bought control of the British economy. Overnight his already vast fortune was multiplied twenty times over. — Des Griffin, *Descent Into Slavery*, Emisary Publications, pp. 27, 28.

By 1815, the Jesuits had complete control over England. If a leader did not do as he was told, money would be used to kill, smear, destroy, blackmail, or just drive the person from office. Later chapters will show that this procedure is being used today to control people like George Bush and Tony Blair. What was done in England is being done in many countries today.

Federal Reserve Bank

Please understand that the central banks being established by the Jesuits and the Rothschilds are in no way similar to the neighborhood banks that we all use to manage our money. Let us take a closer look at the central bank and see why it is so dangerous. We will use the Federal Reserve Bank as an example. Here is a very simplified scenario that

pretty much explains one of the operations of the Federal Reserve Bank.

It is necessary to understand that the Federal Reserve Bank is not owned by the United States government as many believe. The central bank, the Federal Reserve Bank, is a private bank, owned by some of the richest and most powerful people in the world. This bank has nothing to do with the U.S. government other than the connection, which allows the operation described below. The private Federal Reserve Bank has a total, government-enforced monopoly in money. Before we had the central bank, each individual bank competed with other banks; the customers, the consumers, got the best deal. Not any more.

We all know that today the United States government borrows money and operates under astronomical debt. Why is this? Common sense dictates that a policy of such enormous debt will sooner or later destroy the organization that practices it, because the interest on its debt must increase beyond its income, making payoff impossible.

Now to our scenario. Here, roughly, is how the operation proceeds. Suppose the United States government wants to borrow a billion dollars. The government issues a bond for this amount, much as a water company does when it wants to raise money for a new pipeline or a new dam. The government delivers this bond for the billion dollars to the Federal Reserve Bank. The Federal Reserve Bank takes the bond and writes an order to the Department of Printing and Engraving to print the billion dollars' worth of bills. After about two weeks or so, when the bills are printed, the Department of Printing and Engraving ships the bills to the Federal Reserve Bank, which then writes a check for about two thousand dollars to pay for printing the billion dollars' worth of bills. The Federal Reserve Bank then takes the billion dollars and lends the billion dollars to the United States government, and the people of the country pay interest at an exorbitant

rate each year on this money, which came out of nothing. The owners of the Federal Reserve Bank put up nothing for this money.

We see, therefore, that when the United States government goes into debt one dollar, a dollar plus the interest goes into the pockets of the owners of the Federal Reserve Bank. This is the largest, the most colossal theft ever perpetrated in the history of mankind, and it is so slick, so subtle, and so obfuscated by propaganda from the news media that the victims are not even aware of what is happening. You can see why the Jesuits want to keep this operation secret.

Dangers of Central Bank

Thomas Jefferson clearly saw what a central bank would do to America. He declared,

A private central bank issuing the public currency is a greater menace to the liberties of the people than a standing army. — *The Writings of Thomas Jefferson*, Volume X, G. P. Putnam & Sons, page 31.

Jefferson realized that if a central bank was ever set up in America, the bankers would have virtually unlimited amounts of money to control how lawmakers voted, and to control the media and what they said. Within a short time, these bankers would essentially rewrite the Constitution and the Bill of Rights by the unconstitutional laws that they would pass. Thomas Jefferson was completely correct, for today we have enough laws, such as the USA Patriotic Act and the Homeland Security Act, to literally convert the United States into a police state, when all the provisions of these acts are implemented.

Just like the old Bank of North America, the new Bank of the United States had eighty percent of its initial funding capital provided by 'secret' investors, and the government put up only twenty percent. Whoever these 'secret' investors were, they had tremendous power in America because they had control of the money in America. Many books written about this time period tell us who these people were.

The Rothschilds and the Jesuits have been using their vast wealth to take over the United States through traitorous politicians for a great many years.

The Jesuits and the Rothschilds would settle for nothing less.

After the Hamilton Central Bank failed, the Jesuits were able to establish a third central bank using Nicholas Biddle as their agent in 1816. The charter for this bank ran until 1836. Biddle made an attempt to renew the charter of this third bank during the Presidential campaign of 1832. Biddle believed that Andrew Jackson would not dare to risk his second term in office by opposing him, so Biddle felt this was the perfect time to renew the bank's charter. Andrew Jackson understood the dangers of the central bank and vetoed the bill to renew the bank's charter. Jackson's argument was simple.

Controlling our currency, receiving our public monies, and holding thousands of our citizens in dependence, it would be more formidable and dangerous than a naval and military power of the enemy. — Herman E. Kross, *Documentary History of Banking and Currency in the United States*, Chelsea House, pp. 26, 27.

Jackson feared that the foreigners, who wanted to dominate and control America, would use the central bank to destroy her. The Rothschilds and the Jesuits have been doing just that for many years. The following quote shows how Nicholas Biddle manipulated the Congress.

Biddle had one powerful advantage over his adversary. For all practical purposes, Congress was in his pocket. Or, more accurately, the product of his generosity was in the pockets of Congressmen. Following the Rothschild Formula, Biddle had been careful to reward compliant politicians with success in the business world. Few of them would bite the hand that fed them. Even the great Senator, Daniel Webster, found himself kneeling at Biddle's throne.— G.

Edward Griffin, *The Creature from Jekyll Island*, American Opinion, p. 351.

Webster's record in Congress had previously been in behalf of sound money. When Biddle bought Webster with money and other enticements, he succumbed and became a supporter of the corrupt banking objectives of Biddle. Webster became one of the central banks most avid supporters. How tragic that Daniel Webster did not have the moral courage to withstand Biddle's bribes! In the early 1830s, Congress had many Jesuits seeking to secretly undermine the great principles of our Constitution.

When Andrew Jackson finally ousted Nicholas Biddle and the central bank, he had to face other things such as Jesuit assassins.

With these accomplishments close on the heels of his victory over the Bank, the President had earned the undying hatred of monetary scientists, both in America and abroad. It is not surprising, therefore, that on January 30, 1835, an assassination attempt was made against him. Miraculously, both pistols of the assailant misfired, and Jackson was spared by a quirk of fate. It was the first such attempt to be made against the life of a President of the United States. — G. Edward Griffin, *The Creature from Jekyll Island*, American Opinion, p. 357.

Civil War/Assassinations

The Rothschilds and the Jesuits needed to regroup. For the next 20 years, the name of the game was assassination as two presidents were poisoned and one was almost killed by poisoning. Then, the guns of war were heard in America as the Civil War reddened American soil. According to German Chancellor, Otto von Bismarck, all this was carefully planned.

The division of the United States into federations of equal force was decided long before the Civil War by the high financial powers of Europe. These bankers were afraid that the United States, if they remained in one block and

as one nation, would attain economic and financial independence, which would upset their financial domination over Europe and the world. Of course, in the 'inner circle' of Finance, the voice of the Rothschilds prevailed. — [Quoted in] G. Edward Griffin, *The Creature from Jekyll Island*, American Opinion, p. 374.

The Rothschilds and Jesuits used the Civil War to divide the United States into two contending countries. This would make America weak and much easier to control.

President Lincoln understood the insidious hand of the Rothschilds and the Jesuit schemers in the Civil War. He understood the massive destructive power of these people. He knew that they were relentless in their pursuit of the destruction of the United States. Lincoln greatly feared for the survival of America and did everything he could to defeat their purposes.

Greed, selfishness, and financial gain are used to compromise politicians to pass laws defeating the purpose of the Constitution, and to take America down a path never intended by our Founding Fathers. These politicians adopt governing principles like those of communism and the French Revolution. Following the awful bloodbath called the Civil War the nation was bleeding, and things were in disarray. The country was quite vulnerable to more Jesuit mischief, and they took good advantage of it.

Trashing the Constitution

Anyone who saw the Congress of the 1860s would declare that Thaddeus Stevens was undeniably in charge.

This radical, Thaddeus Stevens, controlled the Congress and applied all his overbearing and caustic manner to bring about one of the greatest revolutions in America since 1776. By his influence, certain hidden changes were implemented into the Reconstruction Amendments that did so much more than provide freedom and equality for the slaves, but rather attacked the very rationale for the Bill of Rights.

Republic Versus Democracy

The United States of America is not a democracy. It is a republic, and there is a big difference between the two. A pure democracy is based solely on the majority without any restrictions on what the majority can do. An excellent example of a democracy is a lynch mob. The majority wants to hang the person, and the minority, the person to be hanged, does not want to be hanged. They have a vote, and then hang the person. In a pure democracy, the minority is the victim of the majority.

In contrast, a Republic is founded on a set of laws that govern what the majority can and cannot do. The law on which the United States' Republic is founded is the Constitution. For instance, the Constitution says,

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances. — First amendment to the Constitution.

150 Mil Martyrs/Dark Ages

If a law was proposed in Congress to set up a national religion, and everyone in Congress voted for it, it still cannot be done, because the Constitution prohibits this type of law. The Constitution says that the government is not permitted to pass any law concerning religion.

During the Dark Ages, over 150 million Christians were put to death because they would not abide by the universal religion at that time. The same thing would happen in America if America were a pure democracy.

The word democracy cannot be found in the Constitution or in the Declaration of Independence, or in any of the state's constitutions. Many of the Founders of the United States tried to warn about the dangers of a pure democracy.

Remember, democracy never lasts long. It soon, exhausts, and murders itself. There never was a democracy yet that did not commit suicide. — John Adams, *The Works of John Adams*, Vol. 6, New Library Press, p. 484.

If America had been established as a pure democracy, it would have long since ceased to exist.

100 Mil Die/20th. Century

The French Revolution was a source for communist, anarchist, and socialist conceptions; conceptions that, when carried to conclusion, resulted in the necessity of installing drainage systems to carry away the torrents of blood that flowed from French guillotines. These same 'conceptions' applied during the twentieth century have resulted in the murder of well over one hundred million human beings. There is much to learn from the Great Revolution. — Dee Zahner, *The Secret Side of History*, LTAA Communications, p. 35.

Anarchy to Blanket Earth

At the same time anarchy is seeking to sweep away all law, not only divine, but human. The centralizing of wealth and power; the vast combinations for the enriching of the few at the expense of the many; the combinations of the poorer classes for the defense of their interests and claims; the spirit of unrest, of riot and bloodshed; the world-wide dissemination of the same teachings that led to the French Revolution - all are tending to involve the whole world in a struggle similar to that which convulsed France. — E. G. White, Education, Pacific Press Publishing Association, p. 228.

Afro-America Denied

The principles of democracy or mob rule have filled this world with blood. Thaddeus Stevens was most instrumental in bringing the ideals of the French Revolution to America under the guise of bringing freedoms to the downtrodden slaves.

As we have seen, the ideas of Karl Marx were nothing new. He simply took the ideas of the Jesuits and

Weishaupt and codified them into the Communist Manifesto.

The principles of democracy, communism, and the French Revolution, codified by Karl Marx, are seen in countless countries in the twentieth century. From the purges in Russia by Josef Stalin, to Mao Tse Tung's Reign of Terror in China, to Pol Pot in Cambodia and numerous others, the results of Jesuitism have filled this world with misery, pain, suffering, and death. Will the United States, the greatest bastion of Republican government, fall as well?

It became clear that freedom and equality for the Afro-American free man was used to create an entirely new citizenship, which broadened the powers of the national government and attacked the Bill of Rights. This was the same method used in France; the peasants were struggling under horrible difficulties, so the reign of terror granted them liberty and equality. Hidden beneath this was a drive to expand the power of the government and entrench the peasants in bondage still.

A professor at Columbia University recognized that the thirteenth, fourteenth, and fifteenth amendments brought about a completely different constitution than the one established in 1787. He declared that these amendments created a new constitution. As we have seen from subsequent court cases after the passing of those Amendments, it is clear that that is exactly what Stevens and Rome wanted to do.

Summing it up, by 1868 the Jesuits, with their radicals Thaddeus Stevens and Charles Sumner, had forced the Fourteenth Amendment on the peoples of the States, North and South. They had created a new nation as a result of a new citizenship. By 1872 the Jesuits, with their radicals on the Supreme Court, had made the powers of both the Federal and State governments absolute, limited only by decisions of their respective King's benches— the Federal and State Supreme Courts. The transition from a Presbyterian form of

government to a Roman Catholic form of government had been accomplished. **And how did they do it? By declaring that the Bill of Rights were not privileges and immunities of Fourteenth Amendment citizenship, thereby overthrowing the ancient liberties.** — Eric Phelps, *Vatican Assassins, Halycon Unified Services*, p. 327.

In light of the heinous and destructive work of Thaddeus Stevens and the Radical Republicans, it is easy to conclude that they were the tools of Rome in destroying the great Protestant Constitution. No more wicked and diabolical men ever walked the land of the free and the home of the brave.

Tightening the Noose

After the Jesuits' attempts to destroy the fledgling United States, they concentrated on another goal that had eluded them for many years. They had desperately tried to establish a central bank under Robert Morris, Alexander Hamilton, and Nicholas Biddle, but each attempt had failed. During the devastating Civil War, Augustus Belmont, a rabid Jesuit and Rothschild agent, tried to coerce Lincoln into establishing a central bank, but Lincoln understood the damage a central bank would cause to the country, and he refused.

With new gusto and a different approach, the Jesuits and the Rothschilds tried again. They realized, as Lenin had,

that the establishment of a central bank was 90% of communizing a nation. — Fritz Springmeier, *Bloodlines of the Illuminati*, Ambassador House, p. 268.

In the mid 1750s, the Rothschilds and the Schiffs moved into the same residence, a large duplex house in Frankfurt, Germany, where their families lived together.

About 100 years after the two families lived together in Frankfurt, Germany, Jacob Schiff was born. He was a wizard at finances and developed the underhanded shrewdness of the Rothschilds. In 1865, as the Civil War is ending, young 18-year-old Jacob left Germany and came to America.

USA's Financial Empires

Schiff's 'important financial connections in Europe' were the Rothschilds and their German representatives, the M.M. Warburg Company of Hamburg and Amsterdam. Within twenty years the Rothschilds, through their Warburg-Schiff connection, had provided the capital that enabled John D. Rockefeller to greatly expand his Standard Oil empire. They also financed the activities of Edward Harriman (Railroads) and Andrew Carnegie (Steel). — Des Griffin, *Descent Into Slavery*, Emissary Publications, pp. 36,37.

Couple that with this statement:

He came to New York first for the sole purpose of getting control of the United States monetary system. He eventually became the head of the banking firm of Kuhn, Loeb and Company. He bought Kuhn & Loeb out later with Rothschild money.

Using charity as a front to hide his Illuminati One World Government activities, Jacob Schiff became one of the most important successors of Albert Pike in leading the United States toward anarchy. As stated by Lenin earlier, one of the first goals of the communists is to get control of all monetary systems of the world. And this was to be Jacob Schiff's first achievement. — William Sutton, *The New Age Movement and Illuminati 666*, Institute of Religious Knowledge, pp. 234, 235.

Absolute Monetary Control

Thus, we see that the Jesuits-Rothschilds sent Jacob Schiff to the United States at the end of the Civil War to gain enough control over the American financial system that it would be impossible for America to refuse a central bank. Schiff used Jesuit-Rothschild money to finance J.P.Morgan, John D. Rockefeller, Edward Harriman, and Andrew Carnegie. Through the companies owned by these four individuals, shipping, energy, oil, transportation, railroads, import, exports, and steel with its associate businesses, would be involved. These financial giants

branched off into so many other business enterprises that it simply boggles the mind. To say the least, the financial power gained by Jacob Schiff by 1900 was absolutely staggering! We must keep in mind the statement of F. Tupper Saussy, which says:

Vatican Treasury Guardian

Aware that the Rothschilds are an important Jewish family, I looked them up in Encyclopedia Judaica and discovered that they bear the title "Guardians of the Vatican Treasury...The appointment of Rothschild gave the black papacy absolute financial privacy and secrecy. Who would ever search a family of orthodox Jews for the key to the wealth of the Roman Catholic Church? — F. Tupper Saussy, *Rulers of Evil*, Osprey Bookmakers, pp. 160, 161.

Saussy's reference to the "black papacy" is a reference to the Jesuits. The head Jesuit, the Jesuit general, is referred to quite frequently as the black pope.

In their relentless drive to abolish freedom in America without firing a shot, the Jesuits used their financial agents to so dominate American business and the banking system that they were able to push a central bank on the unsuspecting American people. This time, the central bank did not fail.

Bank Panic Ruins 1,000s

Early in 1907, Jacob Schiff, the Rothschild-owned boss of Kuhn, Loeb and Co., in a speech to the New York Chamber of Commerce, warned that 'unless we have a Central Bank with adequate control of credit resources, this country is going to undergo the most severe and far reaching money panic in its history.'

Shortly thereafter, the United States plunged into a monetary crisis that had all the earmarks of a skillfully planned Rothschild 'job.' The ensuing panic financially ruined tens of thousands of innocent people across the country, and made billions for the banking elite. The purpose for the 'crisis' was two-fold:

1. To make a financial 'killing' for the Insiders, and

2. To impress on the American people the 'great need' for a central bank.

Paul Warburg told the Banking and Currency Committee: "In the Panic of 1907, the first suggestion I made was, 'let us have a national clearing house' [Central Bank]. The Aldrich Plan [for a Central Bank] contains many things that are simply fundamental rules of banking. — Des Griffin, *Descent Into Slavery*, Emissary Publications, p. 37.

The [Jesuit] Illuminati interests wanted to create a Central Bank in America. They wanted to build the Federal Reserve. First, they needed a bunch of banking crisis' that would push public opinion towards a Federal Reserve system. These were provided by the Illuminati, including J.P.Morgan's Knickerbocker Panic of 1907. Second, they needed a favorable U.S. president in office.

Rothschild agent Colonel House provided this by getting Woodrow Wilson elected. — Fritz Springmeier, *Bloodlines of the Illuminati*, Ambassador House, p. 273.

The engineered banking panic of 1907 did just what the Jesuits and the Rothschilds wanted it to do. It was made to appear that the only way to avoid another depression was to have a central bank.

Central Bank Deception

To convince Congress and the public that the establishment of a banking cartel was, somehow, a measure to protect the public, the Jekyll Island strategists laid down the following plan of action:

1. Do not call it a cartel nor even a central bank.

2. Make it look like a government agency.

3. Establish regional branches to create the appearance of decentralization, not dominated by Wall Street banks.

4. Begin with a conservative structure including many sound banking principles, knowing that the provisions can be quietly altered or removed in subsequent

years.

5. Use the anger caused by recent panics and bank failures to create popular demand for monetary reform.

6. Employ university professors to give the plan the appearance of academic approval. — G. Edward Griffin, *The Creature from Jekyll Island*, American Opinion, pp. 438.

Central Bank Not Federal

Under these pretenses, the American people were ready for the Federal Reserve Bank. The name sounds very official as if it were an entity of the American government. If people understood how the Federal Reserve Bank was going to operate, and that it would be controlled by a few of the richest bankers, they would not have tolerated its creation. The dream the Jesuits had of a central bank in America took shape at Jekyll Island. The operators and controllers of this bank are from the same groups as those who were behind the central bank in the 18th and 19th century: the Jesuits and the Rothschilds!

Central Bank a Reality

Only one step remained to complete the project. The Jesuits needed certain men in the White House and the government to pass the Federal Reserve Act. By 1912, they had their man in the White House, Woodrow Wilson. Since Jacob Schiff was already deeply into the financial scam, the Jesuits needed another man whose expertise was politics. The man they found was Edward Mandel House. It was he who controlled Wilson in the White House.

House hoped to see the teachings of Karl Marx become a living reality in America. Remember that the teachings of Marx were the codified writings of Adam Weishaupt, the Illuminist and Jesuit agent. According to Woodrow Wilson's own words, he was dominated by House while he was president! How deceitful that the man sitting in the White House portrayed himself to the American people as a loyal American, when in fact, he did the bidding of America's

greatest enemy — the Jesuits of Rome! Several books reveal the control that House had over Wilson while he was in the Oval Office.

A key individual of the New York Archbishop's control of the Democratic Party through Tammany Hall, Colonel House, known as 'the holy monk', was directly involved in making Woodrow Wilson and Franklin Roosevelt presidents of the American empire. As Wilson's advisor and 'alter ego', he pressed for the passage of Morgan's Federal Reserve Act. — Eric John Phelps, *Vatican Assassins*, Halycon, p. 447.

In their efforts to create a Jesuit empire in America, Jacob Schiff, J.P.Morgan, the Rockefellers, and Edward House were their agents. So many books refer to them as Illuminists, international bankers, or as Marxists, but we have seen that all of these organizations were being used as fronts for the Jesuits, and all of them do the bidding of the Black Pope, the Jesuit general!

The early 1900s were very busy years indeed. The Federal Reserve Act and a central bank, World War One, and the sinking of the Titanic were just a few of the events transpiring at that time. Two other unfortunate events were the toppling of Czarist Russia and the attempt to establish a League of Nations.

Russia Victim of US Funds

When the Czar of Russia, Alexander I, rejected the Jesuits' effort to create a League of Nations in Europe, the Jesuits wanted to destroy him and the system of government he represented.

Jacob Schiff, head of the New York based Kuhn, Loeb and Co., spent \$20 million on the revolution. Federal Reserve Director, William Boyce Thompson, gave the Bolsheviks \$1 million. In the summer of 1917, fifteen Wall Street financiers and attorneys, led by Thompson, went to Petrograd, the center of revolutionary activity. — Dee Zahner, *The Secret Side of History*, LTAA Communications, p. 93.

There are numerous other refer-

ences to these facts that we could quote. These people were American citizens, and most of them took an oath swearing allegiance to the Constitution. Their acts in supporting a government whose principles are diametrically opposed to the Constitution is treason. How could these people do this? How could Woodrow Wilson and FDR support Communist Russia? They were all Jesuits working to destroy the United States. They worked together and supported each other because their masters in the Vatican told them to do this.

League of Nations Failed

The establishment of the League of Nations after World War One was very important for the Jesuits. They had been trying to establish the League ever since the early 1800s.

Another Jesuit Front

When Woodrow Wilson, under the direction of Jesuit agent, Edward Mandel House, failed to convince the American people and the United States Senate that they should join the League of Nations, the Jesuits realized that they had to make sure this refusal never happened again. For fifty years the Jesuits had been planning World War Two. This next war was planned to make sure that America would join their next League of Nations. This time it would be called the United Nations. In order to accomplish this, the Jesuits knew that they had to have greater control of the mass media outlets, more Congressmen in their pocket, more businesses had to be dominated, and the office of the President had to be controlled.

United Nations Set Up

When these things were accomplished, the Jesuits knew that they would have no trouble convincing a blinded and deluded American people into eventually surrendering their sovereignty to the United Nations. In order to accomplish these things, the Jesuits created the Council on Foreign Relations. This was to be another front behind which they would hide while accomplishing their subversion in America. In England they created a similar sister organi-

zation called the Royal Institute of International Affairs.

The Council on Foreign Relations was a spin-off from the failure of the world's leaders at the end of World War I to embrace the League of Nations as a true world government. It became clear to the master planners that they had been unrealistic in their expectations for rapid acceptance. — G. Edward Griffin, *The Creature from Jekyll Island*, American Opinion, p. 273.

USA Diocese Housed CFR

The agents of the Jesuits created the Council on Foreign Relations. The locations would be in the two most powerful Roman Catholic Dioceses in the American Empire, New York and Chicago. The CFR would control the Empire's finance, government, industry, religion, education, and press. No one could be elected to the Presidency of the United States without the Council's consent, as the office would be a tool for the Archbishop of New York subject to 'the Vicar of Christ' [the pope] in Rome. (One of the founders of the CFR also aided in the creation of the Federal Reserve Bank. He was the 'holy monk', a Shriner Freemason and agent of the Jesuit General, Edward M. House.) Its purpose was to return the world to the Pope's Dark Ages with an economically socialist world police state. — Eric Phelps, *Vatican Assassins*, Halcyon Unified Services, p. 464, 465.

At least FORTY-SEVEN C.F.R. {Council on Foreign Relations, Inc.} members were among the American delegates to the founding of the United Nations in San Francisco in 1945. — Gary Allen, *None Dare Call It Conspiracy*, Concord Press, p. 86.

Controlled News Media

To guard against exposure, and to mold public opinion, as far back as 1915 the powerful men in America working in world government set out to control the news media. They accomplished this by

employing 12 leading men in the newspaper field to find out what was necessary to control the general policy of the daily press throughout the country. It was decided that this could be accomplished by purchasing control of 25 of the greatest papers.

For decades many top officials of the United States Government have been members of the Council on Foreign Relations. This includes many presidents, fourteen secretaries of state, fourteen treasury secretaries, eleven defense secretaries, and scores of other federal department heads. — Dee Zahner, *The Secret Side of History*, LTAA Communications Publishers, p. 91.

Most Americans have never heard of the Council on Foreign Relations. Although unseen and unknown, it has exerted tremendous power and control over the decision making process in America throughout most of the 20th century. Some of the media organizations that show up repeatedly as being run and controlled by CFR members include NBC, CBS, New York Times, Washington Post, Des Moines Register, Los Angeles Times, Time magazine, Newsweek, Fortune, Business Week, U.S. News and World Report, the news services such as Associated Press, and many of the large, influential television stations. At least, 170 journalists are controlled by the CFR. The influence of these media giants on public opinion is phenomenal, and it is done in such a subtle way that the people are not aware that they are being conditioned what to think. The people generally believe that they are independent thinkers.

NY Times Chief Confesses

John Swinton, Chief of Staff for the New York Times, who was considered to be the dean of his profession, made a most revealing statement in 1953. At a New York Press Club dinner, Swinton declared,

If I allowed my honest opinions to appear in one issue of my newspaper, before twenty-four hours my occupation would be gone. *The business of the journalists is to destroy the truth; to*

lie outright; to pervert; to vilify; to fawn at the feet of mammon, and to sell his country and his race for his daily bread. You know it, and I know it and what folly is this toasting an independent press? We are the tools and vassals of rich men behind the scenes. We are the jumping jacks; they pull the strings and we dance. Our talents, our possibilities and our lives are all the property of other men. We are intellectual prostitutes. — Multiple contributors, *A U.S. Police Action: Operation Vampire Killer*, The American Citizens and Laumen Association, pp. 18,19.

Swinton was honest enough to admit that he and most other journalists are told to write the things that are in harmony with the plans and purposes of the CFR. Ultimately, the world's wealthy, like the Rothschilds, Rockefellers, and Morgans, who founded and run the CFR, are under the control of the black pope, the Jesuit General. The Jesuits are using the media to prepare the world to receive the pope as the great man of peace, to receive the pope as the ruler of the world from Jerusalem, to accept the destruction of the U.S. Constitution, and to bring the world back to the feudalism of the Dark Ages.

Job Loss Since NAFTA

We were emphatically told by the CFR that the North American Free Trade Agreement, NAFTA, was in the best interests of the American people. Instead, NAFTA has destroyed thousands of middle class jobs in America and moved those jobs to Mexico and Red China. NAFTA is devastating the industrial manufacturing base in the United States. We have seen that the Jesuits are behind the effort to destroy the middle class in America and return to the structure that existed during the Dark Ages. The Jesuits want to undo everything that Protestantism and freedom has done for America, and NAFTA is part of that process.

Vietnam: Why Did We Go?

At 8:30 a.m., Saturday, the 23rd

of November, 1963, the limousine carrying CIA director John McCone pulled into the White House.... He was also there to transact one piece of business prior to becoming involved in all the details entailed in a presidential transition, and the signing of National Security Memorandum 278, a classified document which immediately reversed John Kennedy's decision to withdraw from the war in Vietnam. The effect of memorandum 278 would give the Central Intelligence Agency carte blanche to proceed with a full-scale war in the Far East.... — Robert Morrow, *First Hand Knowledge*, Shapolsky Publishers, pp. 249.

Kennedy Withdraws Troops

This war eventually involved over half a million Americans in a life-and-death struggle without the Constitutional requirement of congressional approval. So President Kennedy began pulling troops from South Vietnam. The Catholic church strongly objected to this, and President Kennedy was gunned down. The very next day, Memorandum 278 was signed, which reversed Kennedy's decision to deescalate the war in South Vietnam.

At Death, Order Reversed

Vietnam was a Jesuit war designed to create a Catholic superpower in Southeast Asia. The only way this could occur was by the bitter persecution of a religious giant already in the area, the Buddhists. Ngo Dinh Diem, a tyrannical Catholic dictator, was put into power. The Jesuit controlled American press said almost nothing about the terrible religious persecutions taking place in Southeast Asia. John Kennedy began pulling America out of Vietnam but was gunned down by Jesuit assassins before he could accomplish much, and the no-win war went on for another 10 years, ending in ignominious defeat for America. What remains is a winding wall in Washington, D.C., listing 58,000 Americans that lost their lives there and millions of others not listed who have

lived retarded lives as a result of wounds and afflictions received in this religious war.

Jesuit wars to destroy religious enemies continue today. Next we will look at the Middle East and why do so many die near the city of peace, Jerusalem?

Won't They Ever Stop Fighting?

During the last two generations, there has been continual conflict in the Middle East. The six-day Israeli-Egyptian war of 1967, and the Yom Kippur Arab-Israeli war of 1973 are more prominent than the others. The bombings, bloodshed, crying, and the misery of war never seem to stop. Why do they continue fighting? What is the purpose of continuing this senseless killing?

The land of Israel lies at the center of an area that is completely hostile to it. Israel is of great religious and historical significance because the Messiah, Jesus Christ, walked the land of Israel for three and a half years of public ministry.

Catholics Eye Jerusalem

A Jesuit cardinal named Augustine Bea showed us how desperately the Roman Catholics wanted Jerusalem at the end of the third century. Because of its religious history and its strategic location, the Holy City was considered a priceless treasure. A scheme had to be developed to make Jerusalem a Roman Catholic city.

The great untapped source of manpower that could do this job was the children of Ishmael. The poor Arabs fell victim to one of the most clever plans ever devised by the powers of darkness.... — Jack Chick, *The Prophet, Alberto part 6*, Chick Publications, pp. 5,18.

Here we see that the Catholic Church desperately wanted control of Jerusalem because of its location and its great religious significance. They wanted to use the Arabs to grind the Jews and Christians into the dust so they could take over Jerusalem. The Vatican also invented a 'messiah' figure from among the Arabs around whom the Arab world

would unite.

Catholics Create Islam

A wealthy Arabian lady, who was a faithful follower of the pope, played a tremendous part in this drama. She was a widow named Khadijah.... Her job was to find a brilliant young man who could be used by the Vatican to create a new religion and become the messiah for the children of Ishmael. She soon found young Muhammad, and they were married.... Under orders from the Vatican, Roman Catholic Arabs across North Africa began spreading the story of a great one...who was about to rise up among the people and be the chosen one of their god. — *ibid.* pp. 19, 20.

The pope moved quickly, and issued bulls granting the Arab generals permission to invade and conquer the nations of North Africa. The Vatican helped to finance the building of these massive Islamic armies in exchange for three special favors:

1. Eliminate the Jews and Christians [which they call infidels].
2. Protect the Augustinian monks and Roman Catholics.
3. Conquer Jerusalem for 'his holiness' in the Vatican.

As time passed, the power of Islam became tremendous.... Jews and Christians were slaughtered, and Jerusalem fell into their hands.... It was time for the payoff.... The pope asked for Jerusalem. But by now, the Arab generals felt the exhilaration of victory everywhere they went. They felt nothing could stand in their way. The pope's carefully laid plans began to backfire, and then crumbled before his eyes. — *ibid.* pp. 21, 22.

Muslims Keep Jerusalem

The pope's plans failed miserably. Instead of giving Jerusalem to the pope, the Moslems built their sacred building, Dome of the Rock, in Jerusalem on the very site of the old Jewish temple, thus making Jerusalem the second most holy place, next

to Mecca, in the whole Islamic world. There was no way that the victorious and powerful Arab armies would give Jerusalem to the pope. Now the Arab leaders turned to new lands to conquer.

The Muslim generals were determined to conquer the world for Allah...so they turned their eyes towards Europe. The Islamic ambassadors approached 'His Holiness' in the Vatican and asked for papal bulls to give them permission to invade European countries. The Vatican was outraged. War was inevitable. Temporal power and control of the world was considered the basic right of the pope. He wouldn't think of sharing it with what he considered heathens. The pope raised up his armies and called them *crusades* to hold back the children of Ishmael from grabbing Catholic Europe. The wars continued for centuries...and Jerusalem slipped out of the pope's grasp. — *Ibid.* p. 23, emphasis supplied.

Will there ever be peace in Israel? There will probably be peace for a brief interval when the pope is enthroned there. But the pope will soon thereafter start to exercise his authority to force the entire world to become Catholic as he did during the Dark Ages when he controlled the world. This will bring about terrible persecution and destruction throughout the earth. Only those who are in submission to God's control will find safety in that awful time.

America No Longer Free

The Skull and Bones Order is the entry point into the Illuminati. The Illuminati, which we have seen, is a front for the Jesuit Order. Anyone, who is working for or a part of the Illuminati, is connected to the Jesuits, the greatest foe of Protestant religious and civil liberty. To be part of the Illuminati and the Jesuits makes it impossible to love the Constitution or to uphold its principles because those groups exist for the destruction of the Constitution. No president or public official in America could ever be part of these groups because it

would be impossible to uphold their oath to defend the Constitution because they are part of organizations whose great goal is the abolishment of that great document.

Are you aware of any leaders or Presidents that have ever held office who have been part of the Skull and Bones Order of Yale University?

George Bush (father and son) was a Skull and Bonesman. —ibid. p. 320.

George Bush, the father and George Bush, the son, have both attended Yale University and are both a part of the Skull and Bones Order. Both of these men are part of the Illuminati and the Jesuits.

The Bush family's connection to the Harriman's/Illuminati/Jesuits goes way back.

President Would Obey Pope

Before George Bush ever entered the White House in January of 2001, he was already vowing his support for the work of the Catholic Church in America. He showed that his allegiance would not be for the Constitution and the American people, but rather for a man whose position over the last 200 plus years has been opposed to the Protestant Constitution.

Kennedy Disobeys Pope

In 1960, John Kennedy went from Washington to Texas to assure Protestant preachers that he would not obey the pope. In 2001, George Bush came from Texas up to Washington to assure a group of Catholic Bishops that he would obey the pope. — Washington Times, April 16, 2001.

From another document, a Catholic paper called Peter's Voice; this was also quoted in Reuters News service of March 22, 2001. There was a cultural center in Washington DC dedicated to John Paul II. This is what the President declared, "The best way to honor Pope John Paul II, truly one of the great men, is to take his teachings seriously, to listen to his words and put his words and teachings into action here in America."

Let me share with you from the book, Fifty Years in the Church of

Rome, page 284, to show you the contrast between the words of the Constitution and the words of the church of Rome.

Equality At Law Denied

The most sacred principle of the United States Constitution is the equality of every citizen before the law. The fundamental principle of the Church of Rome is the denial of that equality. Liberty of conscience is proclaimed by the United States, a most sacred principle which every citizen must uphold... But liberty of conscience is declared by all the popes and councils of Rome, a most godless, unholy, and diabolical thing, which every good Catholic must abhor and destroy at any cost.—Charles Chiniquy, Fifty Years in the Church of Rome, Chick Publications, p 284.

So by George Bush's statements at the dedication of the cultural Center, he would destroy and abolish the First Amendment to the Constitution of the United States.

Church & State Combine

The American Constitution assures the absolute independence of the civil from the ecclesiastical or church power; but the Church of Rome declares through all her pontiffs and councils that such independence is an impiety and revolt against God.— ibid. p. 284.

The American Constitution assures the separation of the church from the state, but the Catholic Church throughout the dark ages and today has been trying to mesh them together. The result of such a union has always been terrible bloodshed and persecution. Because the Founding Fathers of America realized the evils of church/state union, they made sure in the Bill of Rights that the church and state would remain separate.

The Constitution of the United States denies the right in anybody to punish any other for differing from him in religion. But the Church of Rome says that she has the right to punish with the confiscation of their goods, or the

penalty of death, those who differ in faith from the pope. — ibid p. 284

Popes Not Infallible

As you go down through history and how one pope after another differed from previous popes and argued and there were rival popes, two or three at one time, disagreeing with each other, which infallible pope are we to accept? How many beliefs of the pope and of the Church of Rome are even found in the word of God? Is purgatory? Is worship of the Virgin Mary? Is turning the bread in the communion service into the actual body of Christ? This is insanity, and the Church of Rome declares that the pope can punish those who don't go along with him in faith. So for a human being to bow down and receive their faith from a man who doesn't know what he believes is senseless.

War On Terror Planned

The basis for this entire chapter is a letter that was written August 15, 1871 by Albert Pike to Giuseppe Mazzini quoted in the book Descent Into Slavery.

Pike declared that the First World War would be used to destroy Czarist Russia and then to place that land under the control of Illuminati agents. That Czarist Russia was destroyed in WWI is a fact of history. Czar Nicholas and his wife, Alexandra, along with their many children, were all slain while posing for a picture in 1917. The reasons why Czarist Russia was targeted are more skewed elements in history. The Czars of Russia had for well over 100 years been a thorn in the side of the Jesuits.

Russia Removed Jesuits 1820

The Russian emperor, Alexander, was currently compelled to issue a royal decree in 1816, by which he expelled them [the Jesuits] from St. Petersburg and Moscow. This proving ineffectual, he issued another in 1820, excluding them entirely from the Russian dominions.— R.W. Thompson, The Footprints of the Jesuits, Hunt and Eaton, pp. 245,246

This same czar, who had the au-

dacity to bring a constitution to the Russian people, also did something else for which the Jesuits would not forgive him. At the height of the Civil War, when the balance of the war could go either way, Alexander II came to the aid of Abraham Lincoln.

The presence of the Russian Navy helped the Union enforce a devastating naval blockade against the Southern states which denied them access to critical supplies from Europe.... Without the inhibiting effect of the presence of the Russian fleet, the course of the war could have been significantly different. — G. Edward Griffin, The Creature from Jekyll Island, American Opinion, pp. 377, 378.

Civil War/Russian Blockade

By driving the Jesuits from Russia, refusing to establish a central bank, planning a constitution, and aiding the North during the Civil War, the czars of Russia had incurred the undying wrath of the Jesuit Order. Payback was imminent. The other no-no of the czars was their protection of the Russian Orthodox Church, the implacable enemy of Rome for over 1000 years.

Communism's Reign of Terror

Not only was the czarist system in Russia to be destroyed, but the Orthodox Church would be toppled as well. Pike revealed that Illuminati agents would then be put into positions of power in Russia. Illuminati agents, acting as a front for the evil deeds of the Jesuits, would bring an awful reign of terror to that great land for several generations. Starting with Lenin, Trotsky, and Stalin, the Jesuits used them to have 60 million Russians obliterated over the next 30 odd years. Kruschev and Breshnev continued the onslaught to a lesser degree for several more years. All of this was done in the name of Communism, but in truth, the Jesuits used the Communism front to carry out heinous crimes in Russia.

Terror Attacks Start Wars

In order to bring America into this conflict across the Atlantic and thus

violate the famed Monroe doctrine, which stated that Europe could fight her own wars and America would stay out of them, there was a planned 'terrorist' attack that caused the loss of many Americans lives and thus, brought America into the war. The terrorist attack that was carried out against innocent Americans was the torpedoing of the Lusitania.

The deed had been done, and it set in motion great waves of revulsion against the Germans. These waves eventually flooded through Washington and swept the United States into war. — G. Edward Griffin, *The Creature From Jekyll Island, American Opinion*, pp. 260, 261, emphasis added.

Does that sound familiar? Is the author talking about WWI, or WWII at Pearl Harbor, or about September 11 and the war on terror? In every case, the situation has been nearly identical. Create a fervor of anger against a foreign power and America goes to war and it was all planned that way!!! The Jesuits, who pre-planned the war, planned for the terrorist attacks in order to bring America into the battle!!!

Russian Expansion WW II

Illuminist-Jesuit Pike declared that the second war would result in an expansion of Russian influence and the creation of a state of Israel in Palestine. Did the Second World War do those things? The influence of Russia worldwide was certainly seen following the Second World War. Due to the war, Russian expansion was certainly seen as the Russian government brought under her wings several satellite countries and even the control of East Berlin. The Second World War also brought about the creation of Israel in Palestine. The Jews were given the strip of land along the eastern shores of the Mediterranean Sea. Albert Pike is batting 1000%. Are we listening?

WW III, Zionists, & Arabs

According to Pike, the third war would be stirred up by Illuminati agents between the Zionists and the Arabs. Since the Illuminati is a front organization for the Jesuits, the Je-

suits created the current war on terror. What event was it that ignited the involvement of America in this conflict? It was the tragic events of September 11, 2001. Could it be that the World Trade Center attacks, just like the Lusitania and Pearl Harbor, were orchestrated to bring America into this conflict? To think anything else but this is ludicrous!!

This conflict was to originate between the Zionists and the Arabs. Who are Zionists? They are Jews or those who are pro-Israel. In the current war on terror, who is fighting? The Americans and the English, the two most pro-Israeli nations on the earth, are at war against the Arabs of Afghanistan and Iraq. The conflict, according to Pike, was planned to extend worldwide. After a time of death and devastation, the world would become so fed up with the horrors of war that they would welcome anything. At that moment, the 'pure doctrine of Lucifer' would be manifest in the earth.

Doctrine of Lucifer

What is the pure doctrine of Lucifer? Lucifer is the name that originally was given to the angel that was closest to God in heaven. After a time, Lucifer, the bearer of light, became so proud of his powers, given to him by his Creator, that he rebelled and tried to bring all the angels to his side. Eventually, there was war in heaven (Revelation 12:7-9) and Lucifer, now the devil, was cast to the earth. He devilishly sought to bring all created beings to his side.

Introducing Sun Worship

He sought the worship that belonged to God and God alone!! For finite beings that had cast off their allegiance to their Creator, the devil had the perfect and most ready object for men to adore and worship. He obviously chose the most powerful thing in man's visible universe, the sun. Through Nimrod, the great grandson of Noah, sun worship was introduced. As generations passed, the devil's sun worshippers began to make monuments in honor of the sun. Stonehenge in England and the Parthenon in Rome were just a few

of the memorials in the sun's honor. After millennia, the building of St. Peter's basilica in Rome was shaped in the form of the sundial in honor of the sun.

Towards the end of the war on terror, there would be a universal manifestation of Lucifer's doctrine of sun worship; it will be seen in the honoring of the day that honors the sun. It is called Sunday. Laws to worship on the day of the sun will spread all over the earth because the devil wants everyone to worship him. Most of the earth will choose to honor this day—the day that is steeped in devil worship.

World Honoring Day of Sun

There are so many dear, dear people who have no idea that by worshipping on the day of the sun that they are honoring the devil's counterfeit. They have done this in ignorance for so many years, even all of their lives, because that is what they have been taught and seen practiced by their parents and grandparents. Nevertheless, the sun-day worship has no basis except in the mind of the devil for he is bent on turning all mankind away from honoring their Maker and Redeemer and to deceive them into honoring him.

Honor God or Lucifer

This universal manifestation will be brought out in the public view (such as in this publication), on full display, before all of mankind. All the world will be brought to decide to honor the doctrine of Lucifer/the devil by honoring Sunday or to honor the one command that reveals God as the only One who deserves worship. Throughout the Bible, it is clear that worship of God is due Him because He is the Creator.

O come, let us worship and bow down: let us kneel before the Lord our maker. (Psalm 95:6). Know ye that the Lord he is God: it is He that hath made us, and not we ourselves; we are His people, and the sheep of His pasture. (Psalm 100: 3).

The Creator's Sabbath

Only one commandment reveals God as the Creator.

Remember the Sabbath day to keep it holy. Six days shalt thou labor, and do all thy work, but the seventh day is the Sabbath of the Lord thy God...for in six days the Lord made heaven and earth, the sea, and all that in them is, and rested the seventh day: wherefore the Lord blessed the Sabbath day, and hallowed it." (Exodus 20:8-11).

The seventh day Sabbath, that we call Saturday, reveals God as the Creator and thus, as we honor His day of rest, we are acknowledging that He alone deserves our worship.

As we rest on the Sabbath day, we are reminded of God's great power in the creating of the world. As we behold God's mighty and majestic power as wrought in creation, it cheers our hearts to know that the same Creator can speak peace, hope, and joy to our troubled, restless, and weary hearts and minds. For the same Creator/Redeemer is just as willing to manifest His creative power in our own lives, to make us new creatures. So, while the Sabbath speaks of Christ's great power in creation, it also speaks to us of His wonderful strength to restore in us His gracious character.

God Still Intervenes

It may be surprising to learn that even the Bible talks about much of the subject matter we have covered so far. It has considerable information about the papacy, its associates, and what the papacy will be able to accomplish in the near future in their efforts to regain their extensive political power that they enjoyed during the Dark Ages.

Understanding the Symbols

One of the problems people have with the Bible and especially the books of Daniel and Revelation is that it uses many symbols. This is not a problem, however, because the Bible, itself, explains what all of these symbols mean. When you understand the symbols, you can read the Bible as clearly as if reading plain text. In the following discussion, all the symbols used will be made perfectly clear.

Pure & Impure Women

Starting with Revelation, chapter 17, and verse 1 (Usually written as Revelation 17:1) we read: "...I will show unto thee the judgment of the great whore that sitteth upon many waters." Here we have the first two symbols that we must consider: the great whore and waters. The Bible uses the symbol of a woman to represent a church. A pure woman represents God's true church, and an impure woman, a whore, as we just read, represents one of the many false or counterfeit churches. Watch carefully as the Bible interprets itself.

Isaiah 1:1,21 says, "The vision of Isaiah...which he saw concerning Judah and Jerusalem... How is the faithful city become an harlot: it was full of judgment; righteousness lodged in it; but now murderers." Verse two indicates that what Isaiah wrote here is a statement from God. Jerusalem in this verse represents God's true church, and God said they had become a harlot because His professed people had fallen deep into sin.

Ezekiel says the same thing. "Son of man, cause Jerusalem to know her abominations. . . . But thou didst trust in thine own beauty, and playedst the harlot because of thy renown, and pouredst out thy fornications on every one that passed by." (Ezekiel 16:2,15). This was a very common thing in Israel. His people, His church, would forsake Him, and God used one of His prophets to call His people a harlot or a whore.

Symbols of Whore & Waters

The symbols of a whore, harlot, and prostitute represent a church that has forsaken God's law. Revelation 17:1 declared, "...I will shew unto thee the judgments of the great whore that sitteth upon many waters." This passage also declares that this apostate church sits upon many waters. Revelation 17:15 tells us,

"...The waters which thou sawest, where the whore sitteth, are peoples, and multitudes, and nations, and tongues." Thus, this apostate church dwells in a heavily populated area of the world, in the heavily populated areas of Europe. Can you think of a church in apostasy that rose up in Europe?

Whore of Revelation

Revelation 17:2 states "With whom the kings of the earth have committed fornication and the inhabitants of the earth have been made drunk with the wine of her fornication." The kings of the earth are the leaders, the presidents, the prime ministers, and the dictators of the world. Verse two tells us that the leaders of the world are connected to this false church. Can you think of a

church that has for a long time connected itself to governments and leaders? This church demands that the church and state be tied together so that she can control the leaders. This church believes that it rules all leaders by divine right, meaning that all rulers govern with the church's permission. Can you think of the church that rose up in Europe and demands control of the leaders of our world by divine right?

Responsible For All Slain

Revelation 18:24 gives us more information on this whore or apostate church. "And in her [this apostate church] was found the blood of prophets, and of saints, and of all that were slain upon the earth." This apostate church is responsible for the blood shed in our world. Knowing that and the fact that this church controls the leaders of nations, who then is responsible for persecution, war and terrorism? The Al Quaida, the Taliban, Osama bin Ladan, Saddam Hussein? No. Revelation 17 and 18 says that the responsibility for war

and terrorism lies at the door of this apostate church.

A book by Dr. L. A. Lehman entitled Behind the Dictators has a cover picture of four leaders in Europe during World War II. Connected to each of them are strings, and a man at the top is dangling their strings, because these leaders are mere puppets. The man at the top pulling the strings is Pope Pius XII who ruled the world from 1939- 1958.

The current war is a religious conflict to further the papacy's design for world take over, when they will rule the world from Jerusalem. This is the only possible conclusion one can draw if we understand what the Bible tells us.

According to Revelation 17 and 18, the wealthy of the earth are made so because of their connection to the Jesuits and the papacy. The worldly rich have bowed low before the god of the Vatican and have been given rich rewards in return.

Mother/Daughter Harlots

Revelation 17:5 tells us of another entity that is tied to the papacy and the Jesuits. "And upon her forehead was a name written, MYSTERY BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH." The word "babylon" means confusion. The name of the great whore, the apostate Roman Catholic Church, is called Babylon the Great because she has brought total confusion into the world, claiming to be following Christ and the Bible, while leading multitudes away from Jesus and the plain teachings of Scripture. In the process of turning people from the Bible, the church claims to be the only gateway to heaven. The Babylon here has nothing to do with the attempted rebuilding of the ancient city of Babylon in the area of Iraq today!

This verse indicates that the Catholic Church is the Mother church, the mother of every abominable and wicked thing that has been foisted on the world in the name of religion. We also see that the Catholic Church has many daughters who are harlots as well; for the verse says "BABYLON THE GREAT, THE

MOTHER OF HARLOTS." To what could these harlot daughters be referring? We have seen that the symbol of an impure woman in Scripture represents an apostate church. (Isaiah 1:21; Jeremiah 3:6; Ezekiel 16:15; Hosea). Plugging these passages back into Revelation 17, we can only arrive at the conclusion that there are other churches that are following in the papacy's footsteps. These churches can only be the ones that once broke away from the

mother church, but have since that time been gradually coming back to her. The harlot daughters of the papacy represent the Protestant churches of today that are no longer protesting against Rome's abuses, but are rather finding harmony in working with her. These apostate Protestant churches of today are the harlot daughters of the mother-Roman Catholic Church!

Your Church a Daughter?

Some may think that Alberto Rivera does not know what he is talking about. They probably believe that their church has not been taken over by the Jesuits. Consider this:

1. Is your church still protesting against the tyranny of the papacy?
2. Does your church still teach that the papacy is the anti-christ, or is it something that your church once taught, but now shies away from because it is not politically correct?
3. Does your church engage in celebration style church services that are more contemporary with the times and have more upbeat music? This was part of the papacy's plan at Vatican II in taking over all the churches.
4. Is your church forgetting their historic teachings and becoming more modern, casting away the old truths as relics of the past?
5. Are your church periodicals

finding more and more good things to say about the papacy, even considering the Vatican leaders to be fine Christian people?

6. Is your church willing to join the ecumenical movement, even if it means sacrificing some basic teachings or principles that the church once believed?

If you can answer yes to one or more of these questions, or yes to all of these questions, then Alberto Rivera is right. Are there any major religious bodies or denominations today that don't meet these criteria? It is interesting that Pope John Paul II agrees with Alberto Rivera. John Paul made a statement in which he declared a major concern of the Vatican. He is concerned about new religious groups that are arising in America that are warning the world about the plans of the papacy to takeover the world. These new groups are telling the world that the papacy is still the anti-christ, and, according to John Paul II, these groups are seriously affecting the plans of the papacy.

Call Out of Babylon

The proselytizing activity of the sects and new religious groups of America is a grave hindrance to the work of evangelization.... [what he means is that there are independent religious groups that are hindering the papacy's drive to take over the world.] The success of proselytism by the sects and new religious groups in America cannot be ignored. It demands of the Church on the continent a thorough study, to be carried out in each nation and at the international level.... — Pope John Paul II, *The Challenge of the Sects, Exhortation, Article 73*.

John Paul did not express concern about denominations that have been around for a century or two. Why? The answer is obvious; those denominations are of no concern to John Paul because they have been infiltrated and taken over by the Jesuits. Those churches have stopped protesting about the evils of the papacy! John Paul is concerned about

groups that have arisen in the last few decades, who, in response to the suppression of truth in their mainline churches, have been forced to preach the truth outside of these churches.

Divine Hand Removed

Marvelous in her shrewdness and cunning is the Roman Catholic Church. She presents a fair front to the world, covering with apologies her record of horrible cruelties, and declaring that her spirit of persecution no longer exists. But she is the same as in the days of the Reformation, when men of God stood up at the peril of their lives to expose her iniquity; the same as when she assumed the power to control kings and princes, and claimed the prerogatives of God. She may clothe herself in Christlike garments, the better to carry forward her purposes; but she still retains the venom of the serpent, and her principles are exerting their influence in legislative halls, in churches, and in the hearts of men. Her spirit is no less cruel and despotic now than when it crushed out human liberty, and slew the saints of the Most High.

"By compromises and concessions, Protestants have tampered with and patronized popery, giving her vantage-ground which papists themselves are surprised to see and fail to understand. The Protestant world needs to be aroused to resist the advances of this most dangerous foe to civil and religious liberty."

God's Law Unchangeable

"God has a law which ... is designed to govern the inhabitants of this world. Christ died that the human family might be brought back to their allegiance to God. He was their only hope of redemption. He did not suffer and die on Calvary's cross to annul the law, because he would thus be the administrator of sin by perpetuating transgression. If the law of God could have been changed, or one precept of it altered to meet man's fallen condition, then the Son of God need not have come into our world and died. But because the law of God was changeless in its char-

acter; because not one principle of it, not even a jot or a tittle, could be dishonored and swept away, God consented to let his Son take upon himself the results of man's transgression of that law, thus making it possible for man to be pardoned, and to become obedient to all God's commandments. It is the righteousness and perfection of his Son, who takes upon himself our sins, our defects, our weaknesses, which God accepts; and through faith in the merits of the blood of a crucified and risen Saviour we are prisoners of hope. Christ's righteousness becomes our righteousness, if we sustain a living connection with him. Then we cease to transgress the holy law of God, and become partakers of the divine nature."

Making Our Choice

"We are now making our choice, and we shall soon discern between him that serveth God and him that serveth him not. Read the fourth chapter of Malachi, and think about it seriously. The day of God is right upon us. The world has converted the church. Both are in harmony, and are acting upon a short-sighted policy. Protestants will work upon the rulers of the land to make laws to restore the lost ascendancy of the man of sin [the pope], who sits in the temple of God, showing himself that he is God. The Roman Catholic principles will be taken under the care and protection of the State. *This national apostasy will speedily be followed by national ruin.*

Truth No Longer Tolerated

"The protest of Bible truth will be no longer tolerated by those who have made not the law of God their rule of life. Then will the voice be

heard from the graves of martyrs, represented by the souls which John saw slain for the word of God and the testimony of Jesus Christ which they held; then the prayer will ascend from every true child of God, "It is time, Lord, for thee to work: for they have made void thy law." E.G. White, *Signs of the Times*, November 8, 1899; *Review & Herald*, December 18, 1888; *The General Conference Bulletin*, January 1, 1900.

Already the doctrine that men are released from obedience to God's requirements has weakened the force of moral obligation, and opened the flood-gates of iniquity upon the world. Lawlessness, dissipation, and corruption are sweeping in upon us like an overwhelming tide. In the family, Satan is at work. His banner waves, even in professedly Christian households. There is envy, evil surmising, hypocrisy; estrangement, emulation, strife, betrayal of sacred trusts, indulgence of lust. The whole system of religious principles and doctrines, which should form the foundation and framework of social life, seems to be a tottering mass, ready to fall to ruin.

Religious Terrorism

The only reliable source we can turn to for information on future events is prophecy from God. The Bible has predicted one event after another down through history, and the events have occurred exactly as the Bible said they would. With the same unerring accuracy the Bible predicts future events, and it shows the results that will occur as a result of the Jesuits' conspiracy to rule the world.

Who Are the Two Beasts?

The chapter in the Bible that reveals the results of the Jesuits' treachery is Revelation 13. There are two beasts mentioned in this chapter; the first one rises out of the sea in verse one and the second rises out of the earth in verse eleven. Notice the reading of these verses:

And I stood upon the sand of the sea, and saw a beast rise up out of the sea.... — Revelation 13:1
And I beheld another beast

coming up out of the earth.... — Revelation 13:11

In order to understand these verses, we must determine what a beast represents in Bible prophecy, and what the sea and the earth represent. Watch how the Bible interprets itself.

The book of Daniel shows that a beast represents a kingdom, or as we would say today, a nation or country.

These great beasts, which are four, are four kings, which shall arise out of the earth.... Thus he said, The fourth beast shall be the fourth kingdom upon earth, which shall be diverse [different] from all kingdoms.... — Daniel 7:17,23

Thus, we see that Revelation 13 discusses two powers that came to prominence in the world. These two powers have their beginnings in different areas of the world, one rises out of the sea and the other rises out of the earth.

1st. Beast Rose In Europe

Next, we discover what water represents in Bible prophecy.

And he saith unto me, The waters which thou sawest, where the whore sitteth, are peoples, and multitudes, and nations, and tongues. — Revelation 17:15

We see here that the first power in Revelation 13 had its beginning in a heavily populated area of the world amid existing nations. This suggests that the first power came up in the populated area of Europe.

The second world power of Revelation 13:11 rises out of the earth, which means it arose in an area of the world where few inhabitants existed. This suggests the rise of the second power occurred in the Western Hemisphere; where the population density was very light.

Here is more information about the first beast.

...having seven heads and ten horns, and upon his horns ten

crowns, and upon his heads the name of blasphemy. And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority. — Revelation 13:1,2

2nd. Beast Rose In America

There is also more information about the second beast.

And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon. — Revelation 13:11

Let us look at the meanings of the words blasphemy, dragon, and lamb in these verses. The first power commits blasphemy, and has been given his existence and authority from the dragon.

First Beast Blasphemes

Mark explains one of the meanings of blasphemy.

When Jesus saw their faith, he said unto the sick of the palsy, Son, thy sins be forgiven thee. But there were certain of the scribes sitting there, and reasoning in their hearts, Why doth this man thus speak blasphemies? Who can forgive sins but God only? — Mark 2:5-7.

As the Son of God, Christ had the power to forgive sins, and He still has the power to forgive sins today. If a mere man claims that he can forgive sins, then that is blasphemy. The Jews, who refused to acknowledge Jesus as the Son of God, declared that He had committed blasphemy because they felt He was only a man. This first power in Revelation 13 commits blasphemy by claiming it can forgive people of their sins.

Here is the other meaning of blasphemy.

The Jews answered him, saying, For a good work we stone thee not; but for blasphemy; and because that thou, being a man, makest thyself God. — John 10:33

Christ was God in human flesh, but the Jews did not acknowledge this. So when Christ claimed to be

one with His Father, the Jews declared that He had committed blasphemy. Thus, when a man claims to be God on earth, this is blasphemy, and the first power in Revelation claims to be God.

Claims He Can Forgive Sin

Can you think of a power, rising up in the area of Europe that claims it can forgive sins and claims to be God? The confessional box of the Catholic Church is known throughout the world as the place where people go to have their sins forgiven by a priest. The most heinous crimes and the most awful deeds have resulted from one individual bearing his or her innermost thoughts to another human being. The Bible says, "For there is one God, and one mediator between God and men, the man Christ Jesus;" (1 Timothy 2:5.) A Catholic priest has no more ability to forgive sins than your pet dog!

Claims He Is God On Earth

Next, consider some of the statements the papacy has made about the pope being god on earth.

The Pope is of so great dignity and so exalted that he is not a mere man, but as it were God, and the Vicar of God. The Pope is of such lofty and supreme dignity that,

properly speaking, he has not been established in any rank of dignity, but rather has been placed upon the very summit of all ranks of dignities.... He is likewise the divine monarch and supreme emperor and king of kings. Hence the Pope is crowned with a triple crown, as King of Heaven and of Earth and of the Lower Regions. — Lucius Ferraris, *Prompta Bibliotheca*, volume 6, pp. 438, 442.

For thou art the shepherd, thou art the physician, thou art the husbandman; finally, thou art another God on earth. — Christopher Marcellus's Oration in the Fifth

Lateran Council, 4 th session. J. D. Mansi, *Sacrorum Conciliorum... Collectio*, volume 32, col. 761, translated.

The pope is the supreme judge of the law of the land.... He is the vicegerent of Christ, who is not only a Priest forever, but also King of kings and Lord of lords. — *La Civiltà Cattolica*, March 18, 1871, quoted in Leonard Woolsey Bacon, *An Inside View of the Vatican Council*, American Tract Society, p. 229.

Let us consider some of the names applied to Christ in the Scriptures and see if they could possibly apply to the pope: Almighty God, Creator, Savior, Christ, Lord, Most Holy, King of kings, and Reverend. What could be more blasphemous than for a man to claim any of these titles? "And he opened his mouth in blasphemy against God. . . ." (Revelation 13:6).

The above quotes are utter blasphemy. The Roman Catholic power is the first beast of Revelation 13. Revelation 13:2 tells us that "The dragon gave him his power, and his seat, and great authority." Who is the dragon that gives the papacy her power and authority?

The Bible tells us that the dragon is Satan, the devil.

And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him. Revelation 12:9

The devil himself gave the papacy its power, its throne, and great authority. The devil runs the papacy. The devil is the one that leads her to destroy liberty in the earth. The devil is the one that seeks to gain homage from earth's teeming multitudes by having them bow before the pontiff of Rome. The kind of brutal government the papacy ran through the Dark Ages is the kind the devil and the papacy promotes in the earth today. A satanic government has these characteristics:

1. It is controlled by a few; it is dictatorial.
2. It gives no freedom to its people.

3. It joins the church and the government together.

4. It persecutes anyone who does not comply.

2nd. Beast Characteristics

That the papacy is the first power of Revelation 13 is beyond question. However, who is the second power of Revelation 13? We know that it rises in the Western Hemisphere and "he had two horns like a lamb, and he spake as a dragon" (Verse 11). This verse indicates that the government started out lamb-like, being freedom-loving and just, but it ends up resembling a papal style or satanic government.

The second power of Revelation 13, that rises in the Western Hemisphere, starts out with a Christ-like government, but ends up acting like the dragon (Satan). It starts out the opposite of the papacy and ends up just like her. Since a Christ-like government is opposite of a Satanic government, then the second power would have these characteristics at its beginning:

1. It is a government of the people, by the people, and for the people.

2. It guarantees certain inalienable rights and freedoms, like freedom of speech, freedom of religion, etc.

3. It keeps the church and the government separate.

4. It defends its people from political and especially religious tyranny.

Lamb Speaks Like Dragon

The second power of Revelation 13 that has these characteristics could be none other than the United States of America. She alone rose up in the Western Hemisphere and began with a lamb-like government. As we have clearly

seen throughout this book, the Jesuits would be used to destroy this lamb-like government and make it papal — devilish. Revelation 13 foretold 2000 years ago that the Jesuits would be successful, for verse 11 said that America would begin with a lamb-like government, but would one

day "speak as a dragon." Jesuit infiltration in all levels and departments of the United States government is why this country becomes a tyrannical, persecuting power. America is speaking and behaving more and more like Satan every day.

Like Papacy of Dark Ages

Revelation 13 reveals the rise of the papacy and the United States. It portrays the characteristics of the American government in the beginning and foretells the ultimate takeover by the Jesuits. It also shows us the dictatorial power the papacy had before the great Protestant Reformation.

And they worshiped the dragon which gave power unto the beast: and they worshiped the beast, saying Who is like unto the beast? who is able to make war with him? — Revelation 13:4

During the Dark Ages, the world was worshiping at the feet of the Roman pontiff. With the rise of Martin Luther and the Protestant Reformation, the Bible was given to the people in their own language as the only rule of faith and practice. The Bible only was the cry of the Reformers. Over time, many thousands of people came to accept teachings found only in the Bible.

World Submits To Pope

It also discloses a time when worship of the pope would once again be required of all the world on pain of death, and the United States would be the power that pushes the world to submit to the papacy.

And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed.

Death For Dissenters

And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed. — Revelation 13:12,15

How will the world worship the papacy? What mark reveals papal

authority in the earth? We need to find how the Scriptures define worship. How we understand and respond to this will determine our destiny as the following verse shows.

Severest Warning In Bible

And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb: — Revelation 14:9,10.

This is the most severe warning from God in the entire Bible. The following verses will show us the distinction between the true worship of God and false worship.

Worshipping God In Vain

Howbeit in vain do they worship me, teaching for doctrines the commandments of men. For laying aside the commandment of God, ye hold the tradition of men.... And he said unto them, Full well ye reject the commandment of God, that ye may keep your own tradition. — Mark 7:7-9.

The Jews were given the 10 commandments in Exodus 20:2-17. Over the centuries, the Jews had corrupted the commandments with many traditions that confused the authority of the Ten Commandments. This Christ so unsparingly condemned. He declared that when the Ten Commandments are set aside and the traditions of men are set up, then that is vain worship. True worship would involve honoring all ten of the commandments.

False worship is honoring the traditions of men. True worship is honoring the commandments of God.

In Revelation 13 and 14, we are confronted with a papal tradition that is being exalted above one of God's commandments, and this papal tradition is the mark of papal authority in the world. Do you know of a papal tradition, that is directly contrary to one of the Ten Commandments that the papacy herself will tell us is her mark of authority in the earth? This tradition is so vile in Heaven's eyes that if one continues to obey the papacy's commandment while knowing full well that it is contrary to the explicit commands of God, "the same shall drink of the wine of the wrath of God." (Revelation 14:10).

Papal Mark of Authority

We will now look at several statements from Catholic literature that will show conclusively the papacy's mark of authority is in the earth.

Prove to me from the Bible alone that I am bound to keep Sunday holy. There is no such law in the Bible. It is a law of the holy Catholic Church alone. The Bible says 'Remember the Sabbath day to keep it holy.' The Catholic Church says, No. By my divine power I abolish the Sabbath day and command you to keep holy the first day of the week. And lo! The entire civilized world bows down in reverent obedience to the command of the Holy Catholic Church. — Thomas Enright, CSSR, President, Redemptorist College (Roman Catholic), Kansas City, MO., February 18, 1884.

The observance of Sunday by the Protestants is an homage they pay, in spite of themselves, to the authority of the [Catholic] church. — Monsignor Louis Segur, *Plain Talk About the Protestantism of Today* (1868), p. 213.

If Protestants would follow the Bible, they should worship God on the Sabbath Day [Saturday]. In keeping the Sunday they are following a law of the Catholic church. — Albert Smith, Chancellor of the Archdiocese of Baltimore, replying for the Cardinal in a letter of February 10, 1920.

The State, in passing laws for the due sanctification of Sunday,

THE ENEMY UNMASKED

is unwittingly acknowledging the authority of the Catholic Church, and carrying out more or less faithfully its prescriptions.

The Sunday, as a day of the week set apart for the obligatory public worship of Almighty God, to be sanctified by a suspension of all servile labor, trade, and worldly avocations and by exercises of devotion, is purely a creation of the Catholic Church. — *The American Catholic Quarterly Review*, January, 1883, pp. 152, 139.

Protestants... accept Sunday rather than Saturday as the day for public worship after the Catholic Church made the change.... But the Protestant mind does not seem to realize that...in observing the Sunday, they are accepting the authority of the spokesman for the church, the Pope. — *Our Sunday Visitor*, February 5, 1950.

It is well to remind the Presbyterians, Baptists, Methodists, and all other Christians, that the Bible does not support them anywhere in their observance of Sunday. Sunday is an institution of the Roman Catholic Church, and those who observe the day observe a commandment of the Catholic Church.

— Priest Brady, in an address, reported in the *Elizabeth*, N.J. "News," March 18, 1903.

The mark of Catholic Church authority in the world is Sunday observance. This is a tradition that has no place in the Bible. It originated in

Rome, and when we honor the Sunday tradition, we are paying homage to the papacy. Sunday goes directly contrary to the plain teaching of the fourth commandment, which declares

Remember the Sabbath day, to keep it holy. Six days shalt thou labor, and do all thy work: but the seventh day is the Sabbath of the Lord thy God: in it thou shalt not do any work, thou, nor thy son, nor thy daughter, thy manservant, nor thy maidservant, nor thy cattle, nor

thy stranger that is within thy gates: for in six days the Lord made heaven and earth, the sea, and all that in them is, and rested the seventh day: wherefore the Lord blessed the Sabbath day, and hallowed it. — Exodus 20:8-11.

The papacy tells us exactly what its MARK is.

Of course the Catholic Church claims that the change [from Saturday to Sunday] was her act. And the act is a MARK of her ecclesiastical power and authority in religious matters. — C. F. Thomas, Chancellor of Cardinal Gibbons.

Sunday is our MARK of authority... The church is above the Bible, and this transference of Sabbath observance is proof of that fact. — *Catholic Record*, September 1, 1923 (Ontario).

By their own words, they tell us that Sunday observance is the Mark of the Beast.

Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six. Revelation 13:18.

Remember that Satan, the devil, gave the Catholic Church its power

and great authority in the world. Since the papacy is doing the bidding of the devil, it is the devil who wants the world to break God's Sabbath commandment and worship the papacy on Sunday.

There will one day very soon be only two groups in the entire world.

On one side will be the great bulk of humanity aligned with the Jesuits of the Vatican in direct rebellion against the God of the universe. The other group will be a much smaller group consisting of those who love God and keep ALL of His commandments. The great dividing line will be over the Ten Commandments, specifically the fourth commandment, the Sabbath commandment.

Which side will you be on? Will you embrace the papacy's ultimate goal, Sunday observance, or will you embrace the great sign of God's power to create and to redeem — the seventh-day Sabbath? Sunday observance, homage to the pope and to the Jesuits of the Vatican, will lead America and then the world to devastation and ruin; whereas Sabbath observance, which represents total submission to God's commands will lead to everlasting life with the Lord Jesus Christ.

WHAT IS YOUR DECISION?

THE EVENTS and catastrophes taking place in the present world will increase until the return of Christ. This sinful world and her evil works will pass away, but God "will have all men to be saved and to come unto the knowledge of the truth". "For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life" (1 Timothy 2:4; John 3:16).

Contrary to the hopelessness of this world, God promises a glorious future for those that have been loyal to God here on earth: "For behold, I create new heavens and a new earth; and the former shall not be remembered or come to mind". "And God will wipe away every tear from their eyes; there shall be no more death, nor sorrow, nor crying. There shall be no more pain, for the former things have passed away ... Behold, I make all things new" (Isaiah 65:17; Rev. 21:4-5). These words not only give hope for the future, but they give present peace and security here.

The judgment is now passing in heaven. Soon – none know how soon – their case will be considered. Therefore, it is essential now that every soul take the warning to heart: "Today if you will hear His voice, do not harden your hearts" (Hebrew 3:7-8). When the work of the investigative judgment closes, the destiny of all will have been decided for life or death. Probation for this world is suddenly ending shortly before Jesus Christ's appearance in the clouds of heaven.

Jesus Christ died on the cross of Calvary for your sins, in order to open for you the path into the new glorious future. Even today you may come to Him in prayer, confess your sins and start a new life in obedience to His commandments. Then Christ will be your Intercessor in the judgment!
